**H**ire one of our powerboats and take the family out for a cruise round the harbour, do some fishing or drop the anchor and have a picnic. The scenery in Poole Harbour is stunning, explore round the back of Brownsea, see the fabulous Sunseekers up close, watch the RNLi Training boats out practicing and experience the Royal Marines blast by – the possibilities are endless for a great time on the water!

Hire from a minimum of two hours (three hours peak weekends) or, for a really great day and an even better deal, book the full day. Prices start from £80 (+£20 mandatory insurance fee) per boat for two hours – with six hours afloat only costing £170 (+£20). Price includes fuel and all safety kit (children's and adult lifejackets provided). Boats are licenced for up to 6 people or 400Kg. No prior boating experience is necessary and we give you a full safety brief and take you out onto the water to show you how the boat works and where to go.

The hirer will need to be over the age of 18 and pay by Credit Card or leave a £500 cash deposit. The boats are only licenced for harbour use and carry tracking devices.

To hire, you should call to check availability and aim to arrive 20 – 30 minutes before your designated start time. Late arrival may be charged for. We look forward to meeting you.

Prices subject to change.

Cobbs Quay Marina is signposted off the Blandford Road which is over the lifting bridge. As you enter the marina turn left and we are overlooking the Slipway.
